MEMBERS UNITED will grow our membership, build a fierce industrial presence, and ensure a strong **Member led** voice that always stands up for workers.

# VOTE

## LORRAINE, MOHAMMED TRICIA, TREVOR AND DEAN FOR YOUR EQUALITIES REPRESENTATIVES

**The experience amassed over my working life, alongside tenacity, passion and commitment to you, to be your voice in our union- is why I am seeking your vote.**

For over 35 years I am proud to have been a member, a rep and activist. I joined the union at 16 as a construction apprentice as I knew employers would rather have a workforce unaware of terms and conditions, health and safety legalities and contractual obligations.

An accident resulted in a lower leg amputation and career change. Leaving construction, I joined the NHS after rehabilitation and became a rep. **Every single worker needs to be in a trade union, particularly disabled workers.**

**Dean Collins**  
**DISABLED Rep**

**Trevor Vaughan**  
**RETIRED members**

**Having dedicated 37 years to the Automotive sector, I have experienced first-hand the challenges and opportunities faced by our workers, both in service and in retirement.**

Throughout my career, I always championed the values of solidarity, fairness, and collective strength that underpin our union.

**As an active member of the Retired Coordinating Committee,** I have been instrumental in promoting the interests of retired members, ensuring their voices are heard and respected.

**I believe that retirement should not mean the end of union involvement**—we have a wealth of experience to share and a vital role to play in shaping the future of our movement.

# All of us need strong, member-led voices, to fight and win for Members

**As a member for 33 years**, including 31 years as a branch official, I am currently Branch Secretary for Reading Buses.

I've represented members at all levels in the union, including the Regional Women's and National Women's committees.

**I have been instrumental in wellbeing menopause policy in the workplace along with Toilet Dignity and Get Me Home Safely campaigns.** I'm proud to represent a diverse membership with a strong female voice. I will do the same on the EC

**Tricia James**  
WOMEN'S Rep

**Mohammed Ajaz**  
BAEM Rep

**As a dedicated advocate for equality and social justice**, I am passionate about ensuring that every worker, regardless of their gender, race, disability, sexual orientation, or any other characteristic, has an equal voice and opportunity in our Union and workplaces.

With your support, I will work tirelessly to ensure that Unite remains a Union that values the rights and contributions of every worker, **championing fairness and equality for all our National Black and Asian Ethnic Minority Members working in the different sectors and industries of our Union.**

**I've worked in manufacturing from age 16;** but only joined a unionised workforce at Rolls-Royce in 1996. The benefits were immediate and impactful.

**As a grassroots activist** I became more active, joining marches against austerity and protecting the NHS, caring for all workers in all sectors of unionised employment. **Becoming part of the regional and national LGBT committees naturally followed becoming chair of my workplace branch.**

In standing up for LGBT rights as defined in the Equality Act 2010, I also stand for every one's rights defined within it.
