VOTE DAWN BORTHWICK

EAST MIDLANDS

**For strong, member-led voices,
to fight and win for Members**

I have worked at Rolls Royce in Derby for 36 years, with 30 of them proudly representing members both in the workplace and on various Sector and Regional committees.

As one of your current Executive Members (EC) for the East Midlands, along with Raffiq Moosa, we are seeking your support for re-election.

We feel we make a vital contribution to the Executive Council by ensuring the democracy of our Union is at the forefront of any decisions made and those decisions are in the best interest of our members.

We need to ensure that union finances are on a sound footing so we are ready for all industrial or political challenges that we know lie ahead during these troubled times. **This starts with Subs that give value for money and are within the means of all members.**

If elected, we will carry on challenging and promoting any improvements that impact our members in all sectors.

I support Members United candidates who believe the Executive Council must be the voice of UNITE members; holding the Administration to account, ensuring policy is followed, decisions scrutinised, money spent wisely, and punching its weight in the workplace and society.

Please also support the East Midlands EC election of Raffiq Moosa from Smurfit Westrock.

VOTE RAFFIQ MOOSA

EAST MIDLANDS

As your current Executive Council Representative for the last 3yrs, I am asking for your vote to continue alongside Dawn Borthwick as your EC representatives for the East Midlands region

I have been a proud trade union member and activist for over 27 years working at Smurfit Westrock with a proven record of working on behalf of trade union members.

Dawn Borthwick and I are both committed to ensuring that we have and effective independent EC that will scrutinise the leadership and maintain the democracy of our union on behalf of our members. At the EC we will represent all our members working in the different sectors and industries within our region.

We need an effective EC with the integrity to ensure that member's money is used responsibly by the Unite leadership to keep Unite as a fighting back union not only today but also in the future with an EC that can support and deliver on what is best for our members and our union.

We are firmly committed to ensuring that membership subs remain affordable for everyone.

If elected, I will help ensure power in the union is in the hands of the members. I am honoured to have received the endorsement of so many branches and workplaces across the whole of the East Midlands region.

Please also vote for Dawn Borthwick from Rolls Royce Derby as the other East Midlands EC representative
